

# Young Scientists Evening

Kleiner Redoutensaal

Wednesday, 19 June 2013

18.30-21.00

*This event shall serve as a forum for young scientists to get to know each other and to establish connections. A diverse mix of students at universities and research establishments, emerging analysts at National Data Centres as well as young PTS staff may be expected. Participants supervising students and young scientists are welcome as well.*

## PROGRAMME

18:30	<b>Welcome</b>
18:35	<b>What is my current role as a young scientist and what is my future vision in the CTBT context?</b> <i>Round table with all participants introducing themselves</i>
19:15	<b>Opportunities for young scientists: training, capacity building, data access for research</b> <i>Martin Kalinowski</i>
19:30	<b>Open discussion</b> <i>All are invited to raise questions and anybody may respond. This may be an opportunity for networking.</i>
20:00	<b>Reception</b> <i>In the Spiegelsalon</i>
