SUBJECT: Extension of deadline.
Clarifications No. 1 for RFQ No. 2017-0220/HASAN for “Procurement of Seismic and acoustic sensors & integration engineering services for IMS waveform technology stations on a call-off basis”.

Dear Manager,

Please find attached hereto the Commission’s answers to questions raised by the bidders for the Request for Quotation No. 2017-0220/HASAN for “Provision of batteries for IMS seismo-acoustic monitoring stations on a Call-Off basis.” Bidders that have already submitted quotations may submit revised quotation if they so wish. If no revised quotation is received by the bid closing date, the quotations already received will be evaluated.

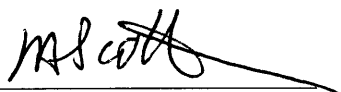

Question 1: Could you please clarify the exact model of ‘Gilll’ Wind Observer 65 you require?

Answer: We need the model ‘Gilll’ Wind Observer 65 1390-65-A-2|3|2.

Please also note that the deadline for the submission of proposal is extended from 18th December 2017 to 22nd December 2017.

We look forward to receiving your quotation on or before the extended deadline of 22nd December 2017, 1700 hours, Vienna (Austria) local time.

Kind regards,

bp
