SUBJECT: Clarifications No. 1
RFQ No. 2021-0080/BOVÉ for Supply and Delivery of Ruggedized Field Laptop Computers and External Hard Drives for the International Monitoring System (IMS)

Dear Sir/Madam,

Please find attached responses to queries raised by interested bidders in respect to the above mentioned RFQ No. 2021-0080/BOVÉ and note that for the purposes of the clarity the CTBTO Specification has been amended as attached. The revisions in the amended Specification is marked / highlighted in yellow.

Please take these responses and the revision to the Specification into account in the preparation and submission of your bid.

We are looking forward to receiving your bid prior to the submission deadline.

Kind regards,

Nodira Alimdjanova
Procurement Officer, Procurement Section

<td>Could we supply a similar specification of Toughbook 55 or you need the Panasonic model which is listed in the tender document?</td>
<td>Please be guided to the Instructions to Bidders, page 5. <strong>Manufacturer’s Model Number</strong> The manufacturer Panasonic, model Toughbook 55 Full HD is required due to compatibility and standardization purposes. The model was selected and successfully tested by the Commission’s International Monitoring System for the use in the field.</td>
</tr>
<tr>
<td>2</td>
<td>Intel® UHD Graphics 620 is the built in Standard Graphic card of the FZ-55; the AMD Radeon Pro WX is the optional external dedicated graphic card which can be used as add on in the universal bay of the FZ-55 Should the AMD Radeon Pro WX offered separately as accessory?? (AMD Radeon Pro WX dedicated graphic card is already EOL, only very small qty available)! IMPORTANT: only one option can be used in the Universal Bay: Dedicated Graphic Card or DVD (can be changed by the customer)</td>
<td>Intel® UHD Graphics 620 is required. The AMD Radeon Pro WX can be offered as an optional external dedicated graphic card. Bidders are encouraged to offer this option. The DVD is required. Please refer to the attached amended Specifications and be guided accordingly.</td>
</tr>
<tr>
<td>3</td>
<td>The requested Toughbook supports a maximum of 40GB RAM and the requested AMD graphics card module is no longer manufactured. Could you please let us know how you wish to continue?</td>
<td>The below graphics card shall be offered optionally. If the bidder cannot supply 64 GB RAM, they can offer 40 GB. Bidder must provide justification for the 40GB option (e.g. not possible to get 64, etc.) Please refer to the attached amended Specifications and be guided accordingly.</td>
