Item#	Question	Answer
1	<p>Please confirm if there is a later delivery date as an option rather than the 15<sup>th</sup> October indicated in the solicitation. The tents which are on this requirement form are manufactured in the UK and are therefore subject to a delivery lead time of 6-8 weeks. Please advise if this is acceptable.</p>	<p>The Commission will accept a later delivery but the completed delivery of all items needs however to have been concluded before 20 December 2022.</p>
