SUBJECT:	Clarifications No. 1 RFQ No. 2025-0174/POLONSKAYA Display of geophysical cross-sections in the Geospatial Management system for OSI (GIMO)		

Dear Sirs,

In reference to the Commission's RFQ No. No. 2025-0174/POLONSKAYA: Display of geophysical cross-sections in the Geospatial Management system for OSI (GIMO), please find attached **Clarifications No. 1** to the raised questions in respect to the afore-mentioned RFQ.

The attached Clarifications No. 1 are an integral part of the RFP documents and shall be considered in the preparation and submission of the proposal.

We are looking forward to receiving your proposal prior to the **submission deadline of 14 November 2025, 17:00 hours, Vienna (Austria) local time.**

Sincerely,

Nodira Alimdjanova
Unit Head, Procurement Services Section

Clarifications #1

Question	Answer
In the <i>Minimum Content of the Technical Proposal</i> (Page 1 of 5), <i>Understanding of the ToR Scope</i> states that "a preliminary risk management draft plan shall be included in the technical offer" and the Technical Compliance Matrix requires that "An initial Risk Management plan is included as part of the Proposal"; however, in Section 10 Risk Management of the ToR, it is stated that "The Contractor shall provide a thorough risk assessment plan at the project's commencement."	As stipulated in Instructions and ToR, the Proposal shall include a <u>preliminary (initial) draft of plan</u>. Once the Contract is awarded to the successful bidder, the Contractor will be required to submit <u>a comprehensive (thorough) risk assessment plan</u> at the start of the project.
