

**RFP 2026-0024a/RICKARD**  
**Provision of Red Hat Subscription Services**  
**Attachment 3: PRICE SCHEDULE FORM**

The Bidder is required to prepare the Price Schedule using the form.

The Price Schedule must provide a detailed cost breakdown of all goods and related services to be provided, from unit price to total prices.

Prices are fixed and firm for the duration of the period, unless stated otherwise.

RED HAT SUBSCRIPTION INVENTORY (OPTIONAL)						-		-		-		-		-
<b>GRAND TOTAL</b>						-		-		-		-		-

**Note**

\* It is mandatory to include Optional items in the Proposal. In the event of award, the Commission, at its own discretion, will decide whether to order these items at the time of the Contract placement and/or through the issuance of Formal Request for Delivery (FRD's) for the duration of the Contract. Quantities for orders may vary at the time of ordering.

**Instructions**

**Understand the Columns:**

TOR #: This column lists the paragraph reference to the Terms of Reference in which the required item is listed.

Pos: This column indicates the position within the TOR #.

Quantity: This column indicates the quantity required for each item.

Item Description: This column provides a detailed description of each item, as per the ToR.

Frequency: This column specifies the unit of measurement for each item (e.g., Lump Sum, Per Inspection, Per Year).

Unit Price (EUR or USD): This column is where you will input the price per unit for each item.

Total Price (EUR or USD): This column will automatically calculate the total price based on the unit price and quantity.

**Input Unit Prices:**

For each item, enter the unit price in the Unit Price (EUR or USD) column. Ensure that the price is in EUR or USD.

Specify either EUR or USD

\*\* Please see the Instructions for Preparation and Submission of Bids regarding any applicable taxes

**Verify Total Prices:**

The Total Price (EUR or USD) column will automatically calculate the total price by multiplying the unit price by the quantity.

Verify that the calculations are correct.

Kindly provide any further cost breakdown on a separate sheet, as necessary
